## MEMORANDUM

DATE: June 1, 2106  
TO: Eileen Cabanel, Town Manager  
FROM: Michael Currier, Fire Chief  
SUBJECT: CIP Ambulance Purchase Update

### 2015/2016 CIP for Ambulance Purchase

The CIP for the fiscal year 2015/2016 has \$ 200,000 approved for an ambulance purchase. We purchased an AEV brand ambulance in 2014 and at that time, AEV indicated that they would build another similarly equipped ambulance within 2 years for us at essentially the same price. We have been very happy with both the product and service that we have received over the years from both AEV and the dealer, Professional Vehicles Corporation.

To get an idea of the savings that this offers the town, the 2014 AEV Ambulance cost \$160,092.63 including trade-in. AEV has agreed to build a new 2016 ambulance for the town at a cost of \$158,364.63. The same ambulance at 2016 prices has been quoted to us at \$ 167,229.00.

To outfit the ambulance with a radio, power stretcher, lettering and miscellaneous tools and mounting, the total expenditure would be \$ 185,785.63. The total expenditure in 2014 was \$ 177,640.63.

It should be noted that a radio and suction unit for the 2014 ambulance was not purchased in 2014. These 2 items added approximately \$ 5,700.00 to the total expenditure for 2016.

### Ambulance Proposal for 2015/2016 CIP
